The screenshot displays the Acronis Cloud backup management interface. On the left, a dark blue sidebar contains navigation options: 'My backups', '47C9C1A8-F0C2-...' (Acronis Cloud), '4Q' (Acronis Cloud), 'Home' (Acronis Cloud), 'RUSP-00565925' (Acronis Cloud), 'Unnamed partiti...' (E:\), and a folder icon. The main area features a yellow notification banner at the top stating 'The backup has successfully completed.' Below this, a summary row shows 'Last backup at 4:26 PM' and 'TOTAL SIZE 2.24 MB'. A central diagram illustrates the backup flow: a yellow folder icon labeled 'Files and folders' (4Q) is connected by a green checkmark to a cloud icon labeled 'Acronis Cloud' (0.01 GB used). At the bottom, a control bar includes 'ADD BACKUP', 'OPERATIONS', a search bar containing 'RECOVER FILES', and a 'BACK UP NOW' button. A watermark 'GET INTO PC' is visible in the bottom-left corner.
